It has raised me from a orippled and helpless condition to perfect health. I had suffered for a long time from rheumstlem and in August, 1908, was suffering Intensely. Graffam, and with the calendar I found a post card offering me a trial of Sarsatabs on the 'No cure no pay' plan. I sent for a box and at the end of thirty days the pains of rheumstism had entirely ceased, although my body and limbs were still drawn out of shape. I continued using the medicine, took three bottles of Hood's Saraparilla with Poptiron Pilis and also should be proposition that the laid down the proposition that the laid down the proposition that the laiff law had advanced prices, he was a N.
